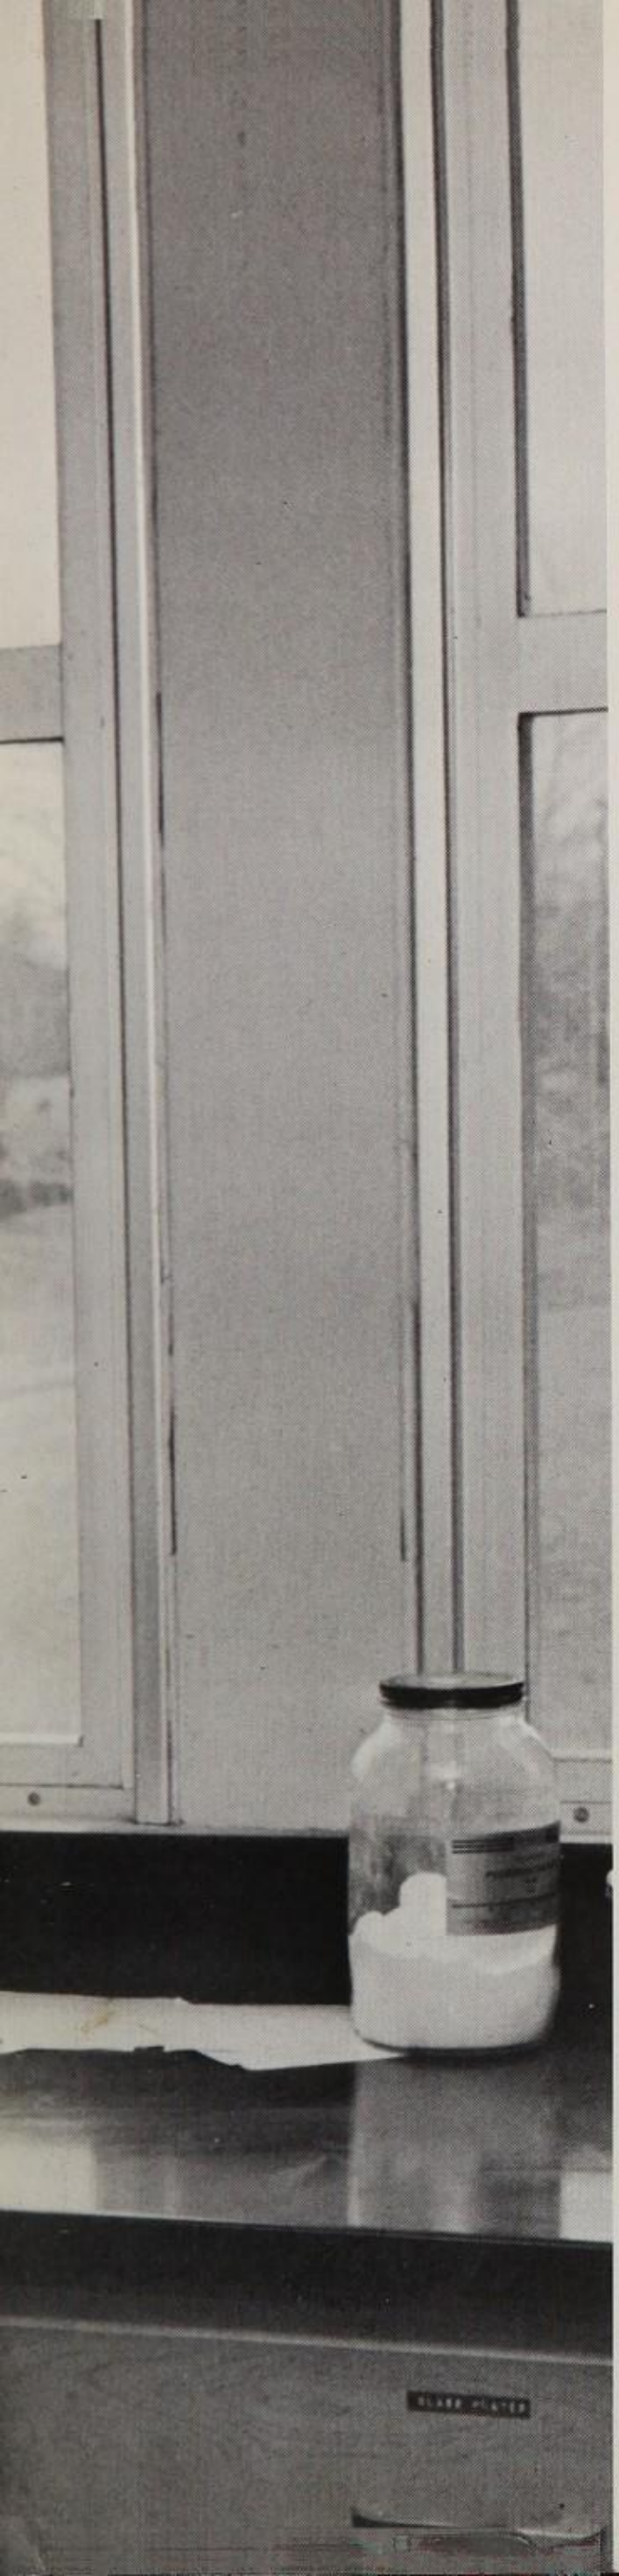
The Key of 1967

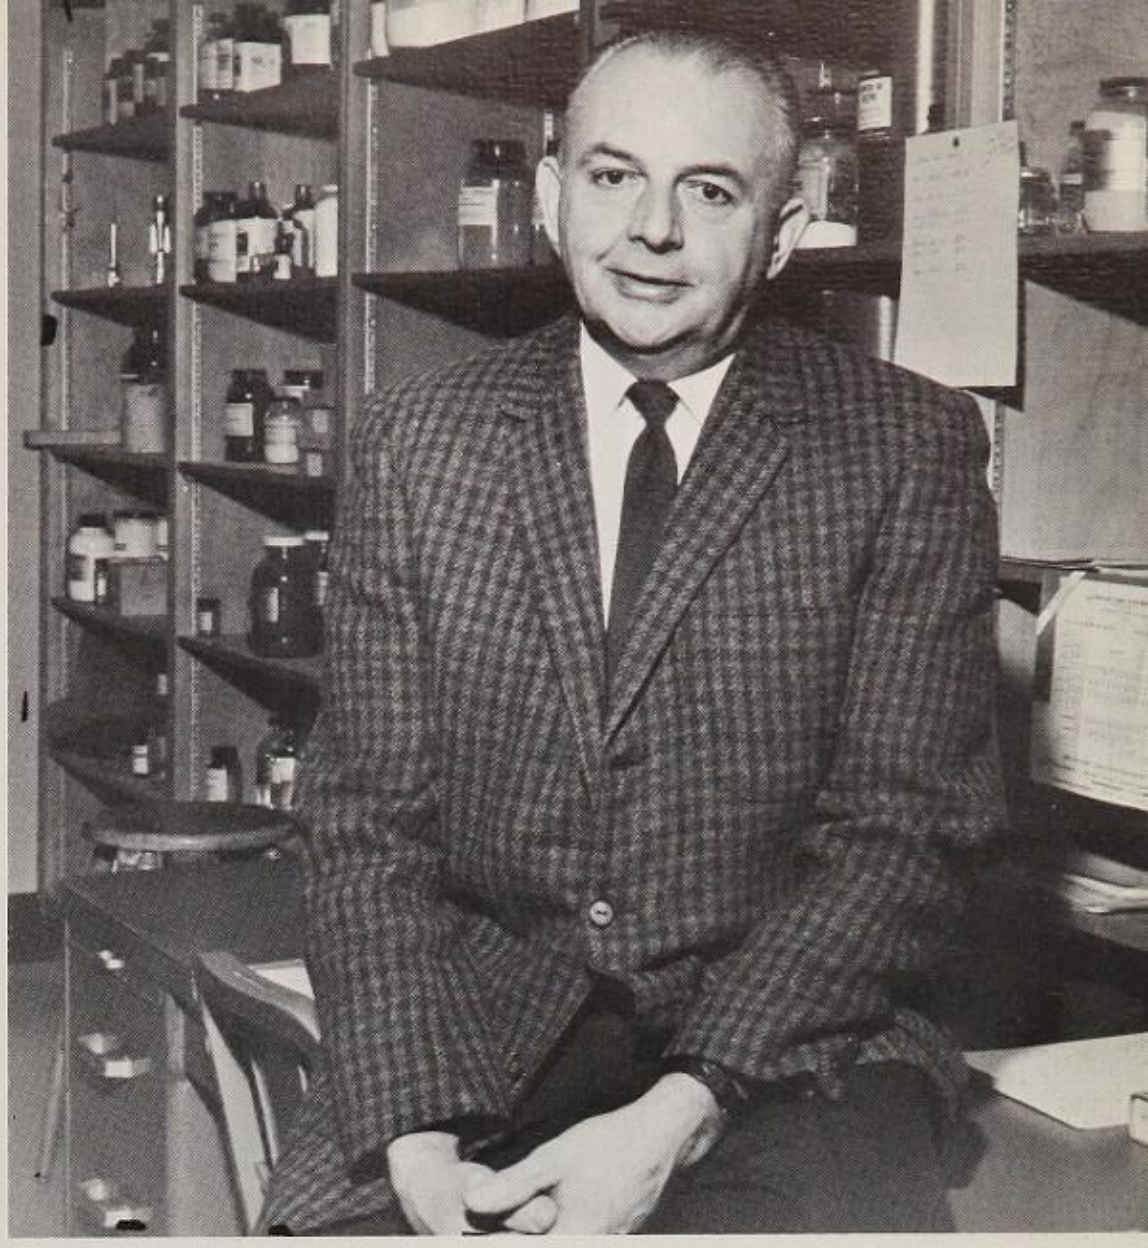
CHESHIRE HIGH SCHOOL

Cheshire, Connecticut

Good Luck
Fred M Willis

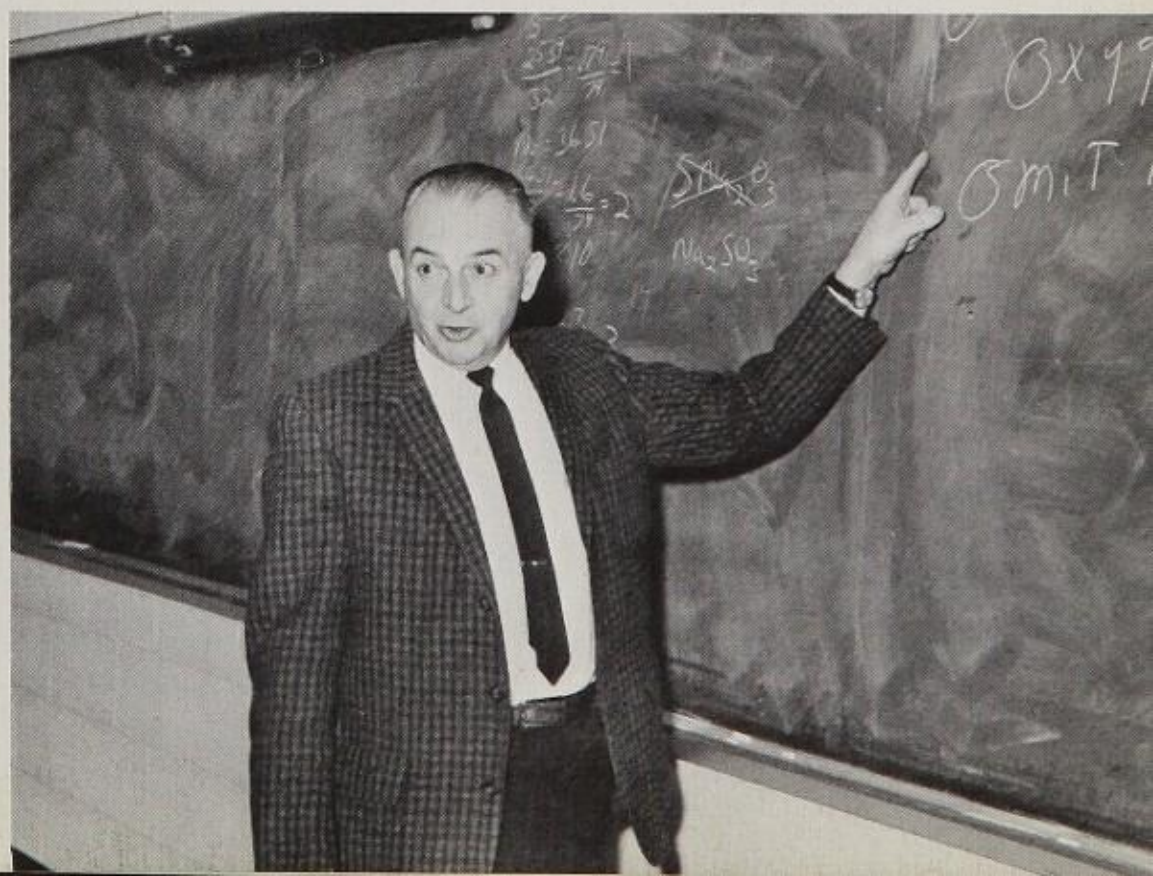


Dedication



In the past four years, the Class of 1967 has faced many problems. We have always turned to the aid of our Class Advisor. He has given both his guidance and energy to help our class become a success. For this reason the Class of 1967 is proud to dedicate it's yearbook to Mr. Fred Willetts.

We will always remember you in the years to come for your willingness and patience put into our class. Because of your unselfishness and time given to keep our class going, we dedicate our yearbook to you, Mr. Fred Willetts.



Dr. John Thorp

In Appreciation

Few people have the opportunity to truly serve his fellow man and fewer still have done as good a job in his life work as Dr. John H. Thorp. When he came to Cheshire twenty-two years ago there was one elementary school serving the entire town. Since that time he has seen the school population rise to over four thousand, built four elementary schools, a junior high school and the senior high school. He has developed a strong curriculum and has stead-fastly worked toward quality education for the town.

Therefore, it is with pride that we, the Class of 1967, as representatives of all the students both past and future who have benefited and will benefit from this man's life work, express our gratitude and wish him good luck and good health in his retirement years.

Principal's Message

To the Class of 1967: The springtime of your life is over—life's summer with it's challenges and responsibilities are ahead, and most of you are indeed wondering if you will be able to stand up to this complex confusing life of the twentieth century. This apprehension is understandable but in reality it has been felt by every generation before you, in every society in the world. The Nordic seamen of the 14th century, the Greek youth of the times of Spartan and Athenian supremacy, the recruits of Caesar's legions, the Berber tribesmen, the Incas of Central America and many more stood on the threshold of life's responsibilities and wondered if they would "make it", if they were prepared for the demands of their times.

The answer to this rests with several factors: how strong the individual is; how carefully the preceding generation has prepared the succeeding one; how individuals or their society has profited by a knowledge of the ingredients of both success and failure; how the individual understands his position in the society. The Legions of Caesar were successful because they eminently reflected the social order of their times; the advanced society of the Incas disintegrated when a new culture was thrust upon them and their own had not developed the ability to understand people with different drives and a different philosophy.

So you stand as citizens of the most powerful nation on the earth with a grave responsibility: to know and understand not only yourself but your society and to conduct your life in light of that knowledge. If you are to succeed, this understanding is of vital necessity; to fail to search for that knowledge is to miss the very meaning and purpose of life.

God bless and be with you all.

Mr. Osborne is known by all the students. He has aided the school as well as its students as Vice-principal.

Mrs. Laden has been the school nurse for many years. She has helped us with many little cures and ills. Mrs. Laden is retiring this year and we extend our thanks and appreciation to her. She has truly been an aid.

The office staff, Mrs. Norton and Mrs. Letteris, are always cheery and lending a helping hand.

PRESIDENT'S MESSAGE

Graduation from high school is a milestone in our lives. For some it is a time to start out on their own. For others, it is merely the beginning of even more education. But for all it is the end of a beginning.

Let's stop for a moment and reflect. Consider how cooperative our class has been when faced with an obstacle. We turned proms into memorable occasions, magazine drives into record breakers, and plays into profit-makers. We took tragedies bravely. We produced powerful sports teams. We put students in some of the best colleges in the nation.

Yes, stop and reflect in our past accomplishments, but don't stop for good. Our graduation is the end of one phase, but only the end of the beginning of our lives. It is time to get out into the world and put to use what we have learned. We are fortunate to have the honor to be called the 1967 graduates of an excellent high school.

Best of luck to each and every one of you.

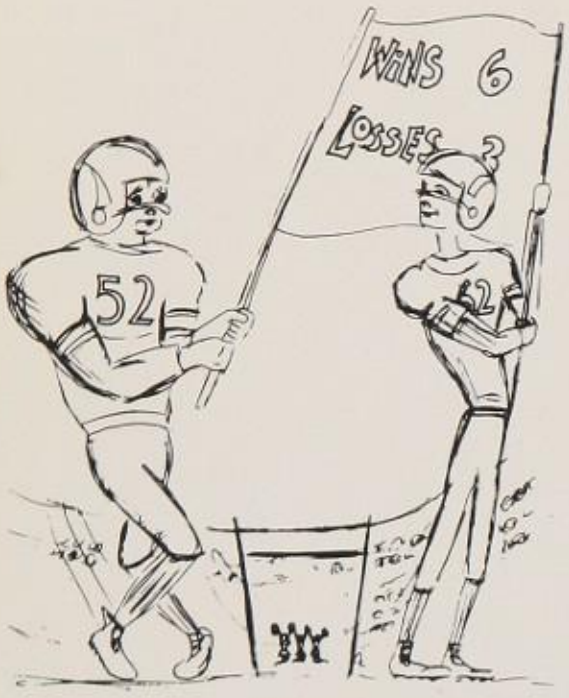
PAUL SWEM

Class History

Try to remember how things were back in 1963. Remember? We were all freshmen then. Young and naive ninth graders trying to grope through the halls of C.H.S. We can't recall much of our freshman year, except perhaps those dreaded Monday morning earth science tests. Or maybe we recall trying to "crack" the forgotten combinations to those gym lockers. We made lots of mistakes, like taking a shortcut across the Senior Walk. Or maybe we even followed some helpful upperclassman's directions, and off we went looking for the elevator to the second floor! Our big social function of the year was our freshman dance. We all agreed it would have been great if those "Big Juniors" didn't crash it. Our freshman class officers, President Dave Schrumn, Vice-president Sue Loonam, Secretary Janice Lyon, and Treasurer JoAnn Harper, tried their best to unite our class. The next three years were to prove they had done a good job. We left our freshman year a little weary after finals, but we knew summer would help us recover.

We returned to school in September of '64 as "Big SOPHOMORES." We really felt quite mature to know that we were no longer the babies of the school. However, the upperclassmen still believed we were "only kids." What the girls probably remember most about their sophomore year was their first experience with dissecting all sorts of goodies in biology. We especially enjoyed our dissections of grasshoppers when we were served our specimens fried!! Of course, being sophomores, we had a natural hostile attitude toward the juniors. This feud was to last and grow through the next couple of years to the tune of "Juniors Rot." Sophomore year also brought with it many boys first attempts at Cheshire Varsity sports. Though they were only beginners, the boys showed the promise that was to give them winning teams in the end. Our sophomore class officers did a great job of preparing our class for its next two important years. Dave Schrumn held his office as president, Sue Loonam also served a second term, as vice-president, JoAnne Harper kept her favorite (?) job of collecting dues, Kathy Walsh took the notes and Cathy Loonam planned our social events. We all looked forward to our sophomore summer, happily saying goodbye to geometry!

After two months of rest, we finally returned to school as upperclassmen. The first thing we did upon returning to school was elect our officers. Joe Webb was our new president, Paul Swem was elected vice-president, Kathy Walsh kept her job as secretary, JoAnne Harper continued her work with the money, and Kathy Belvin was elected our new social chairman. As a sign of our achievement we received our junior rings. Oddly enough, they all looked the same (?!). Our disagreement with



the seniors had grown into a regular feud by now. We still can't quite figue out how that big pile of snow was dumped in the middle of the senior walk. Oh well, I guess it will always be a mystery! (right Stone Brakers?) There are many things which remain in our minds about our junior year. How could we ever forget chemistry!!! Especially those poor students who handed in their "OPX'S" on "confetti paper!" Well anyway, by mid-terms most of us had given up on chemistry, and our brains began working on a more pleasant subject: The Junior Prom. After much debate, we decided our theme would be "Carousel." We also decided to be the first class ever to have a popular band, "The Vandells," play for us. Through much hard work our prom was the greatest ever. No one even tried to ride the Carousel! After the prom, time flew. Before we knew it, summer vacation had come again.

No one was unhappy to return to school in September because we had finally made it. We were "THE SENIORS." To lead our class we chose Paul Swem as president, Jon Holt as vice-president, Kathy Walsh as secretary, JoAnne Harper as treasurer, and Kathy Belvin as social Chairman. As it turned out, our last year was the best. We all have so many senior memories. To start the year off right, our senior laden football team gave Cheshire its best record in years. Almost every Saturday there was a "victory party at Jacks." The Cross Country team, also filled with seniors, won the Housatonic League championship.

One very odd thing happened in the fall. Around Halloween time, it seemed that all the pumpkins in town disappeared and ended up in the oddest place: the senior court. Some people claim they saw the seniors climbing over the school roofs with bundles of pumpkins. But we can't see how this ever could have happened (?!) After Halloween, we all looked forward to the big Homecoming weekend. With our 37 to 6 trounce of Lyman Hall, and our gaining of both beanpots, the weekend was a great success. The king was Paul Pasqualoni and the queen, Kathy Loonam, the court was Susan Loonam, Paul Swem, Mike Votto, Mark Kuhn, Linda Ernst, Nancy Kelley, Lee Moulton, and Kathy Belvin. We all missed the Saturday games and weekday meets for awhile, but basketball was on the way. With December, we all looked forward to Christmas. For the first time, the Student Council sponsored a hall decorating contest among the classes. It was generally agreed that we seniors did have the more sophisticated decorations, but the "mod juniors" had the more spectacular ones. Oh well, at least the senior courtyard looked its best in years. How did that tree ever grow overnight anyway? Some say it came the same way the pumpkins did. Well, it showed our Christmas spirit anyway.

January flew by. February brought with it our senior prom, "Frosted Fantasy." The N.A.I.F. livened the night. We all arrived home around three (a.m. or p.m.?). After the senior

prom, spring was on its way. With spring came the disease which usually hits seniors around this time of the year—senioritis. Some cases were very bad!! We did have our senior play to keep us going, though. "Teahouse of the August Moon" was a great success, also. We hope the wear and tear on Mr. Griffin's nerves will be cured soon. We can't see how anyone could have been so patient with us!

During May, all our thoughts turned toward graduation. Before we knew it, the time had come. We all agreed that Mr. Willets, who had worked so hard for us through the years, deserved a reward. How was your swim at the class picnic Mr. Willetts?

June arrived all too soon. We couldn't believe this was really our graduation day. With mixed feelings, each of us received our diploma. A little misty eyed, we said good-bye to the school that had been so much a part of our lives.

This year's football season was the best ever. Our final record was 6-3 but this doesn't even half indocate how great this team was. The spirit of both the players and the students made the season a truly happy one. The season began on a disappointing note, with our first two losses to Amity and North Haven, but then we started. The day was dull and rainy, but not the spirit, on this day we beat East Haven, who were to be league champs and only us as the team who beat them.

We were truly proud and continued our feeling. On our home field we remained undefeated. Our only other loss was to Derby, which was a heartbreaking 6-0. We ended the season with a big success beating Lyman Hall 37-6 for our Homecoming Game. All players on the team did a terrific job. Both Co-Captains Paul Pasqualoni and James Dinnan were named to the Housatonic League Team and 2nd String All-State Team. Also Paul Pasqualoni became the first to be named the Register Player of the Week. The '67 football team was really great and the seniors will remember it for a long time to come.

Cheshire Rips Plainville In 29-0 Contest

CHESHIRE (Special) —Cheshire High blasted over 22 points in the second period and rolled to a 29-0 victory over Plainville here Saturday.

Senior Dave Schrumm scored two touchdowns and was Cheshire's leading ball carrier with 153 yards in 20 carries.

The Housatonic League victory was Cheshire's third in five starts. Overall the team's record is 4-2.

Other scorers for Cheshire included John Twomey, Mike Votto and Lee Moulton.

Rams Make Early Lead Hold Up

CHESHIRE — Cheshire High built up a 24-0 first - half lead and went on to defeat Shelton, 24-6, in a Housatonic League contest Saturday.

The victory gave caoch Dave Maclary's Rams a 5-3 record.

Lee Moulton tallied the first two scores on runs of 32 and five yards. Bob Schwed passed to Jack Pelcher for the third score. The Rams' final fall came on a 25-yard field goal by George Rose.

Bill Ahern raced 44 yards for Shelton's touchdown in the third quarter.

Paul Pasqualoni, a middle linebacker, and defensive halfback John Richards turned in good performances for the victors.

argest Crowd Sees Lyman Hall Bow To Cheshire, 37-6

BY TOM KENNEDY

A rugged, hard-running Cheshire High eleven spoiled Lyman Hall an early touchdown and then came roaring back with a gluttonous ground game to romp to a 37-6 victory over the outmanned Trojans before a Thanksgiving morning crowd of 2800 fans at Fitzgerald Field.

The triumph, Cheshire's first since the introduction of the Beanpot Trophy four years ago, was almost a personal victory for fullback Dave Schrumm, the Mr. Outside of the Rams' offense, who banged over three first half touchdowns to seal the Trojans' fate.

Meanwhile, more than 250 fans were still lined up outside the ticket window at the south end of the gridiron when Lyman Hall, which had won the toss and elected to receive, took the opening kickoff and drive 60 yards in nine plays for a touchdown.

Pete Pisurde, who had returned the kickoff to the Trojans' 40, scampered eight yards on a reverse on the first play from scrimmage. With second and two, however, quarterback Jeff Schultz was dropped for an eight yard loss and it became third and ten.

Schultz called on John Figlewski and he battered his way to inches short of a first down at the midfield stripe. The Trojans elected to gamble and fullback Marunda bulled his way through the middle for a first down at the Cheshire 49.

Schultz fired a pass to Bill Martin who was stopped on the Cheshire 33 after the ensuing gain.

All-League tackle Jim Dinnan burst through the Trojans' line to block the attempted placement for the point after, but Lyman Hall rooters already were envisioning an upset.

Cheshire didn't appear overly impressive the first time the visitors had the ball and managed to pick up only seven yards in three running plays before being forced to punt. Lyman Hall put the ball in play on its own 37 and here the complexion of the game changed.

After Zocco had picked up three yards off tackle, Schultz slipped while fading back to pass and the hard-charging Rams line dropped him for a 14 yard loss back on his own 26.

KICK BACKFIRES

With third and 21, Lyman Hall attempted to get out of trouble by resorting to a quick kick. But the strategy backfired and the ball had hardly left Marunda's foot before it was met by the left side of the Cheshire line and rebounded to the Lyman Hall 11.

Although at least two Trojans had a shot at recovering the bounding ball, it remained for tackle Tom Eibensteiner to pounce on it and give Cheshire possession with first and ten on the Lyman Hall 11.

After a first down running play gained only half a yard, Cheshire quarterback Bob Schwed handed off to Schrumm who bolted over tackle for five yards and a third and four on the Trojans' five. On the following play, the Rams' fullback battled his way over for his first TD.

End George Rose, the placement specialist for the Rams, booted one squarely through the uprights and Cheshire had a 7-0 lead.

Talbert Martin picked it off and headed straight down the center of the gridiron before finally being brought down by Schultz on the Lyman Hall 33.

It took Cheshire just four plays to account for its third touchdown. Two carries by Moulton and one by Schrumm moved the Rams to a first down on the Lyman Hall 16. From there, Schrumm went all the way on a sweep around the Trojan left end to make it 19-6.

Schwed went to the air for the extra points and connected with end John Pelcher for the two-point conversion that made it 21-6.

Recovers Fumble

Three plays later, after guard Tom Pierkarski recovered a fumbled kickoff return on the Lyman Hall 26, the Rams were on the board again with Schwed and Pelcher collaborating on a 22-yard aerial for the touchdown.

Moulton bowled over for the two-point conversion to make it 29-6.

The half ended five plays later after Lyman Hall received the kickoff, got nowhere and punted to the Cheshire 40.

Dominate Period

Cheshire, which received the opening kickoff in the second half, lost no time in notching another touchdown in a relentless, 16-play drive that began at the Rams' 25.

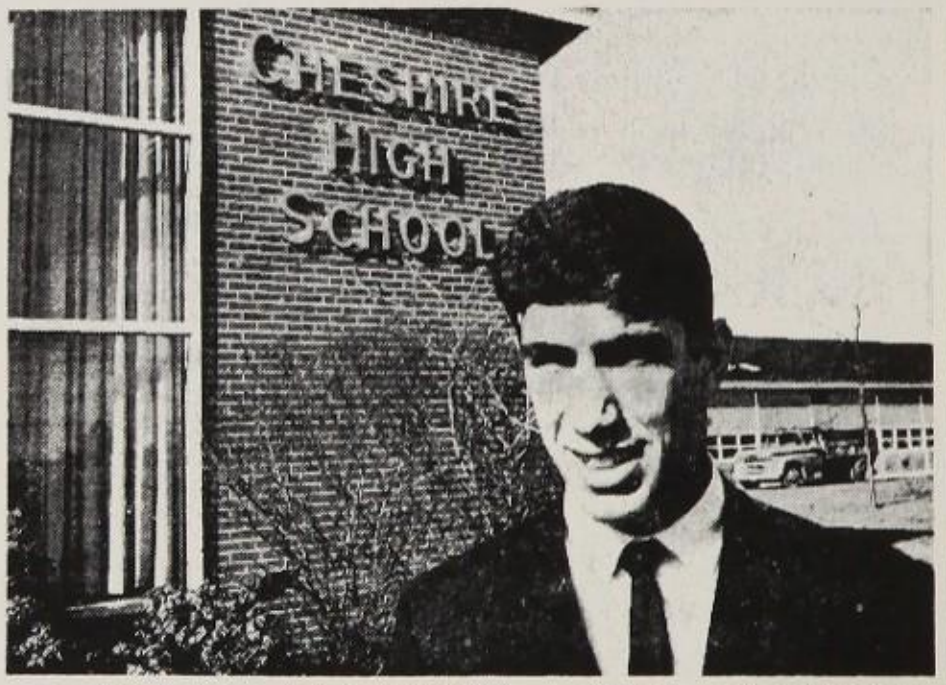
A roughing the kicker penalty against Lyman Hall gave the Cheshire raiders their initial first down of the march but was partially set back by a clipping penalty against Cheshire in the series of downs.

Coaches and team watch attentively as the crowd looks on.

Schrumn breaks into the secondary.

Jocko takes a pass from Schwed.

Cheshire's Pasqualoni Named Player-Of-Week



Co-captain Paul Pasqualoni of Cheshire High was selected this week's Register Player-of-the-Week in recognition of his standout performance at center and linebacker in the Rams' 24-6 victory over Shelton on Saturday.

By DAVE ALLEN
Register Staff Reporter

Cheshire coach Dave Maclary doesn't claim that the Ram defense corps is the toughest in the Housatonic League, only that there is none better.

He will argue though that middle linebacker Paul Pasqualoni has no superior. The Register Player of the Week recovered two fumbles and flashed his sixth interception of the season Saturday in the 24-6 victory over Shelton.

It was a banner week for the defense. Other Player selections could have gone to Branford's sophomore tackle Bob Arotsky or East Haven's Ron Frangi. Quarterback Mike Carroll of Derby and George Dimitruck of Jonathan Law shone on offense.

Cheshire started rolling to its first winning year since 1961 when Maclary shifted Pasqualoni to middle linebacker in the last half of the North Haven game. This year he introduced a new 6-3-3 defense "and I was afraid we'd have to get out of it until I shifted Pasqualoni to middle linebacker."

The Rams looked erratic in the 27-6 opening defeat to Amity. They lost 13-8 to North Haven also, but the last half, Pasqualoni's indoctrination period, paid off immediately.

East Haven fell 20-14 the next week with Pasqualoni keying on Mike Zito. Next time, the 180 pounder's victim was roll-out artist Jack Moresko of Seymour. The Rams shut down Joe Roberti of Branford's option running. The defense wasn't at fault in the 6-0 Derby defeat. Last Saturday, the hard-nose boys recovered six Shelton fumbles and intercepted twice in blanketing Shelton's offense.

Regarding Pasqualoni's prowess for fumble recoveries, Maclary says "he's supposed to. The defense is built around him. From tackle to tackle, he's supposed to be on every play and wherever the ball is, is usually where you find him."

Maclary feels recording numbers of tackles a waste. "If someone is breaking down, we want to know why, that's what's important. The films do show us though that if he is knocked down, the other team gains on us. But he usually smells out the carrier."

Maclary's finest defensive group since he took over the helm in 1956 has given up only

size you should be able to cripple anybody on the field. Pretty soon he was screaming and fired up."

As luck would have, Shelton ran at Pearsall. The Ram defense finally produced its sixth fumble recovered by right linebacker junior John Richards.

The front six, left to right, are Mike Votto or Brad Holtz, Dinnan, Rich Walesky and Pearsll who stood out in the East Haven game, tackle Tom Eibensteiner, 220 and almost immovable, and Dan Benwell.

Jocko Pelcher and Richards side Pasqualoni. The deep men are Lee Moulton and Bob Smith.

When not calling the "stunts" on defense, Pasqualoni shifts to center. He cleared his opposite at the line and made the downfield block Saturday that sprung Moulton's first score. Pasqualoni's resilient. He hurt a hand in the Plainville victory in which he intercepted two passes and recovered a fumble but stayed in the lineup.

"My job is to get in there and kill the play. If I don't get the runner, I take down the interference," says blue-eyed Pasqualoni. "If everybody does his job—the ends turn the runner in—I

The '67 Basketball Season was not a victorious one for CHS, but it did show promise for the future.

The high point of the season was our victory over a strong East Haven team. The boys showed their team effort and spirit in this game.

We won't easily forget that close game with Lyman Hall or that amazing ending to the Derby game.

Mr. Chandler had praise for his seniors this season who sacrificed their time in order to help the younger boys. For the future there is nothing but victory in sight. With two Freshmen letter winners, a great Freshman team, and a fine group of experienced Juniors, we can expect to see Cheshire as a power in the Housatonic League.

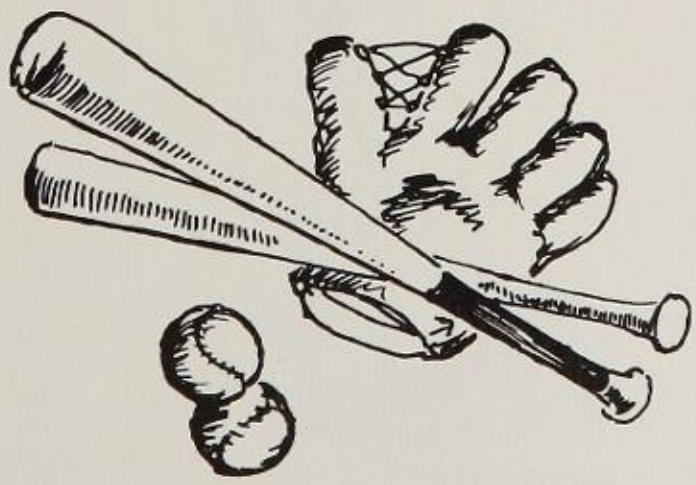
Track

This year's track team has a difficult challenge to beat last year's record. They do have the material, however, and many returning lettermen. With the aid of Mr. McGreavy and a brand new track to work on the season should be a good one.

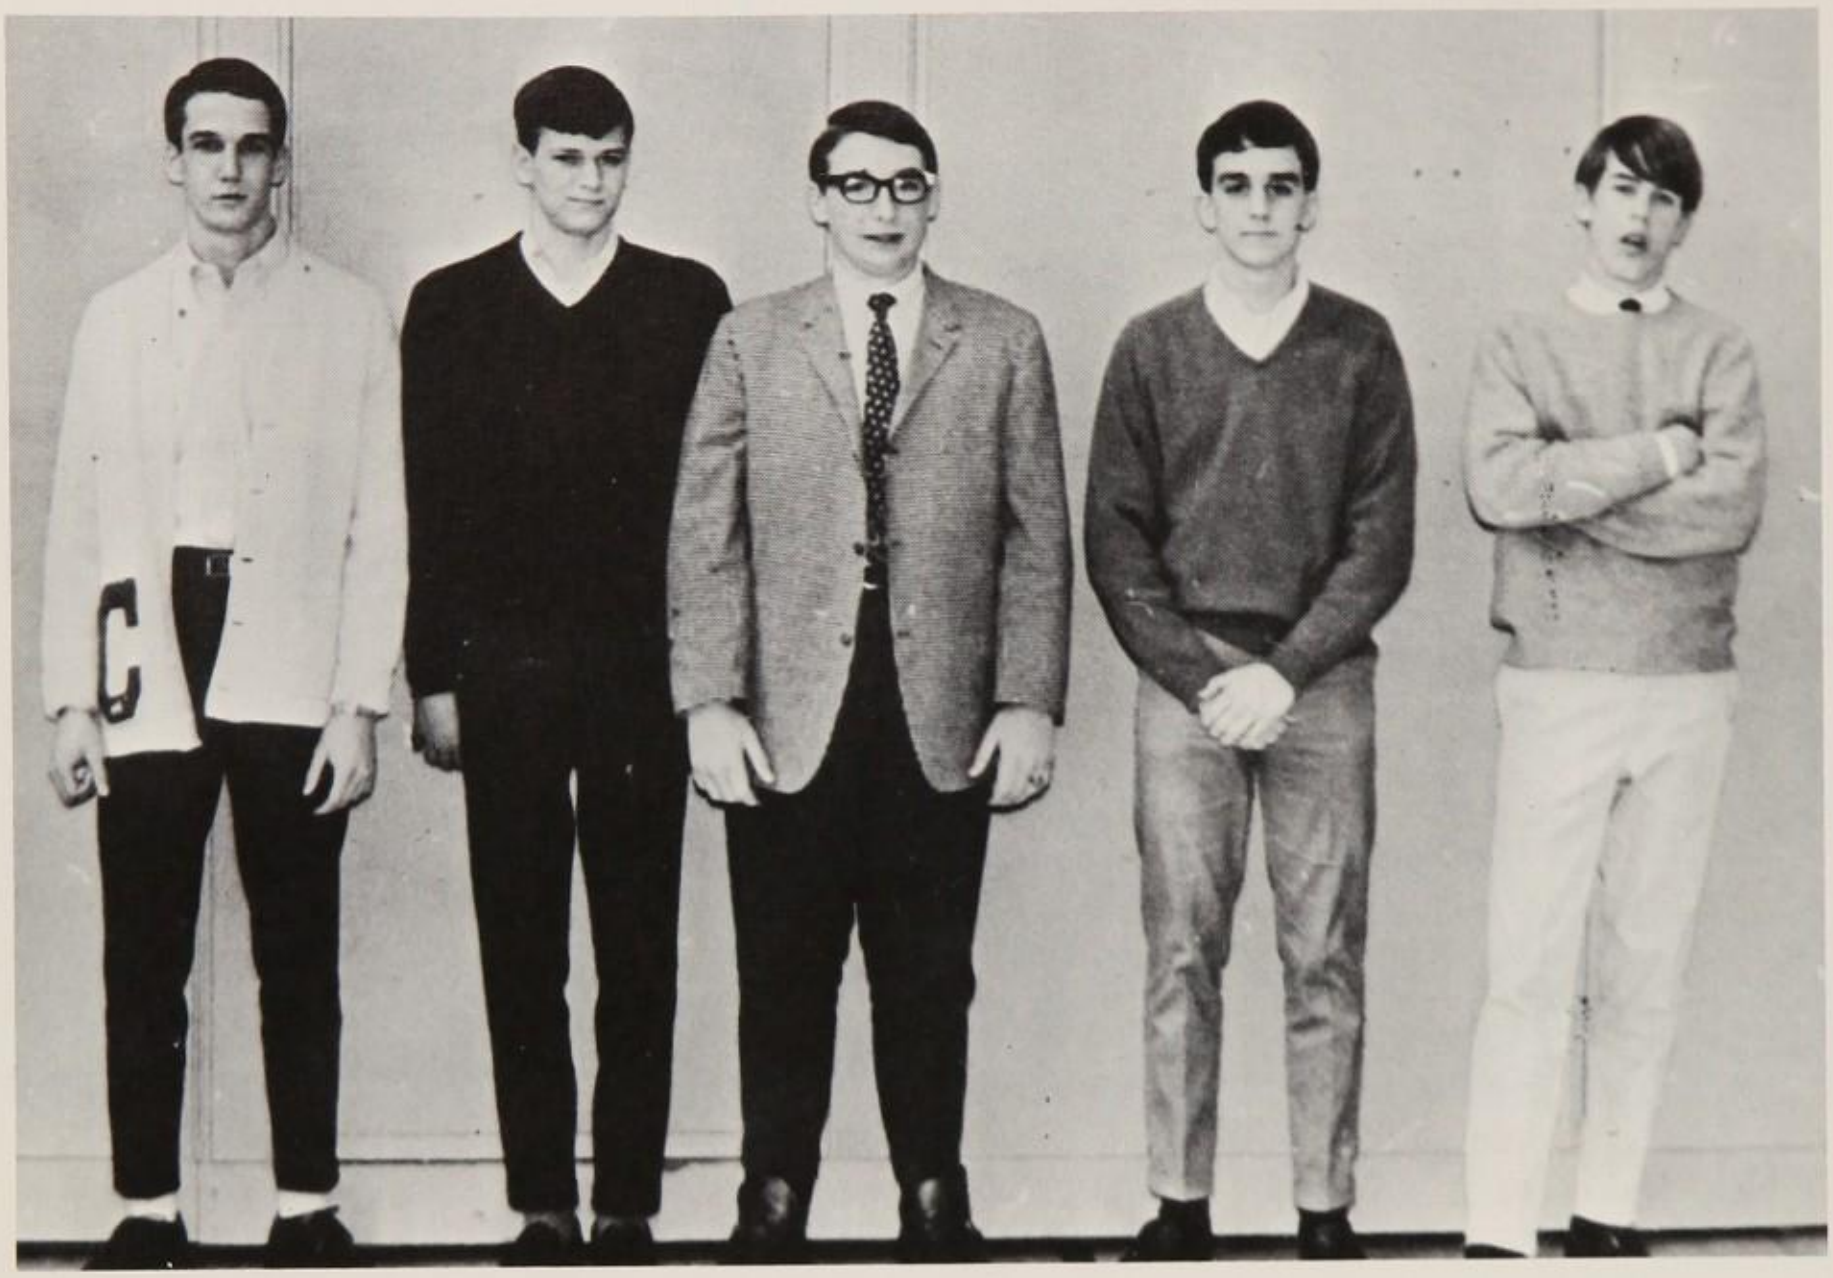
Baseball

This year's baseball team has a promising outlook. With Captain Lee Moulton returning, and other seniors we hope to have a good season. Mr. Santelli is head coach and works hard with the boys.

We also have many newcomers on the team. The underclassmen help the team with both spirit and skill. The team also has a new field to work on.



Golf



GOLF TEAM: Bill Cummings, James Klopp, Kevin Eibensteiner, Carl Cluney, Peter Gaunt.

This year the golf team has three returning lettermen. The team did very well last year and hope to do even better this year. The coach, Mr. Bontatibus, has done a fine job with this great team.

ORGANIZATIONS

Key Club

The Key Club is a large organization consisting of selective boys from the high shool. As president, Ray Tiley has had this club doing many helpful deeds for the school. At basketball games the club holds ropes, hands out programs, and helps the visitors to find their way around. The Kiwanis backed Club, also is represented at the April convention.

Scarlet Banner

The Scarlet Banner puts out a fine newspaper five times a year. The paper informs the students of current events and allows them to express their own opinions. Editors Amy Nix, Kathy Walsh, Bob Schwed and Shelley Wismar have done a fine job.

Press Bureau

Press Bureau has taken many interesting pictures and has written many stories which have appeared in the Waterbury Republican. It has kept students up to date with current events.

Interact

The Interact is a young club but has succeeded in doing many things these past few years. Among other activities it has given much financial aid to various organizations.

Language Lab Maintenance Crew

A Language Laboratory is a very interesting place. These students work in the lab and keep up its operation.

Pep Club

The Cheshire High School Pep Club is a large organization. Led by president, Eileen DeVylder, the Club has aroused spirit in the student body. It also produced the greatest Homecoming ever this Fall.

Biology Club

The Biology Club grows year after year. Under the guidance of Mr. Mazzetti and Mr. Natale students get a chance to work in the fields they like. Field trips are planned often, too.

Future Nurses Club

The future nurses of CHS have had the opportunity to learn about their field under the guidance of Mrs. Leyden, the school nurse. They have visited many hospitals, seen films and participated in interesting discussions.

Future Teachers Club

This year Mrs. Schilo has led a truly exciting club. It attended the U.N. and various surrounding schools. The club has aroused new interests for students entering the field of teaching.

Social Science Club

Mr. Morgan has shown CHS a very interesting and beneficial program. Various planned activities enable students to learn more about History.

Math Club

Mr. Kolej provides interesting math problems for students wanting more than the classroom provides. They work more in the world of reasoning.

Home Economics Club

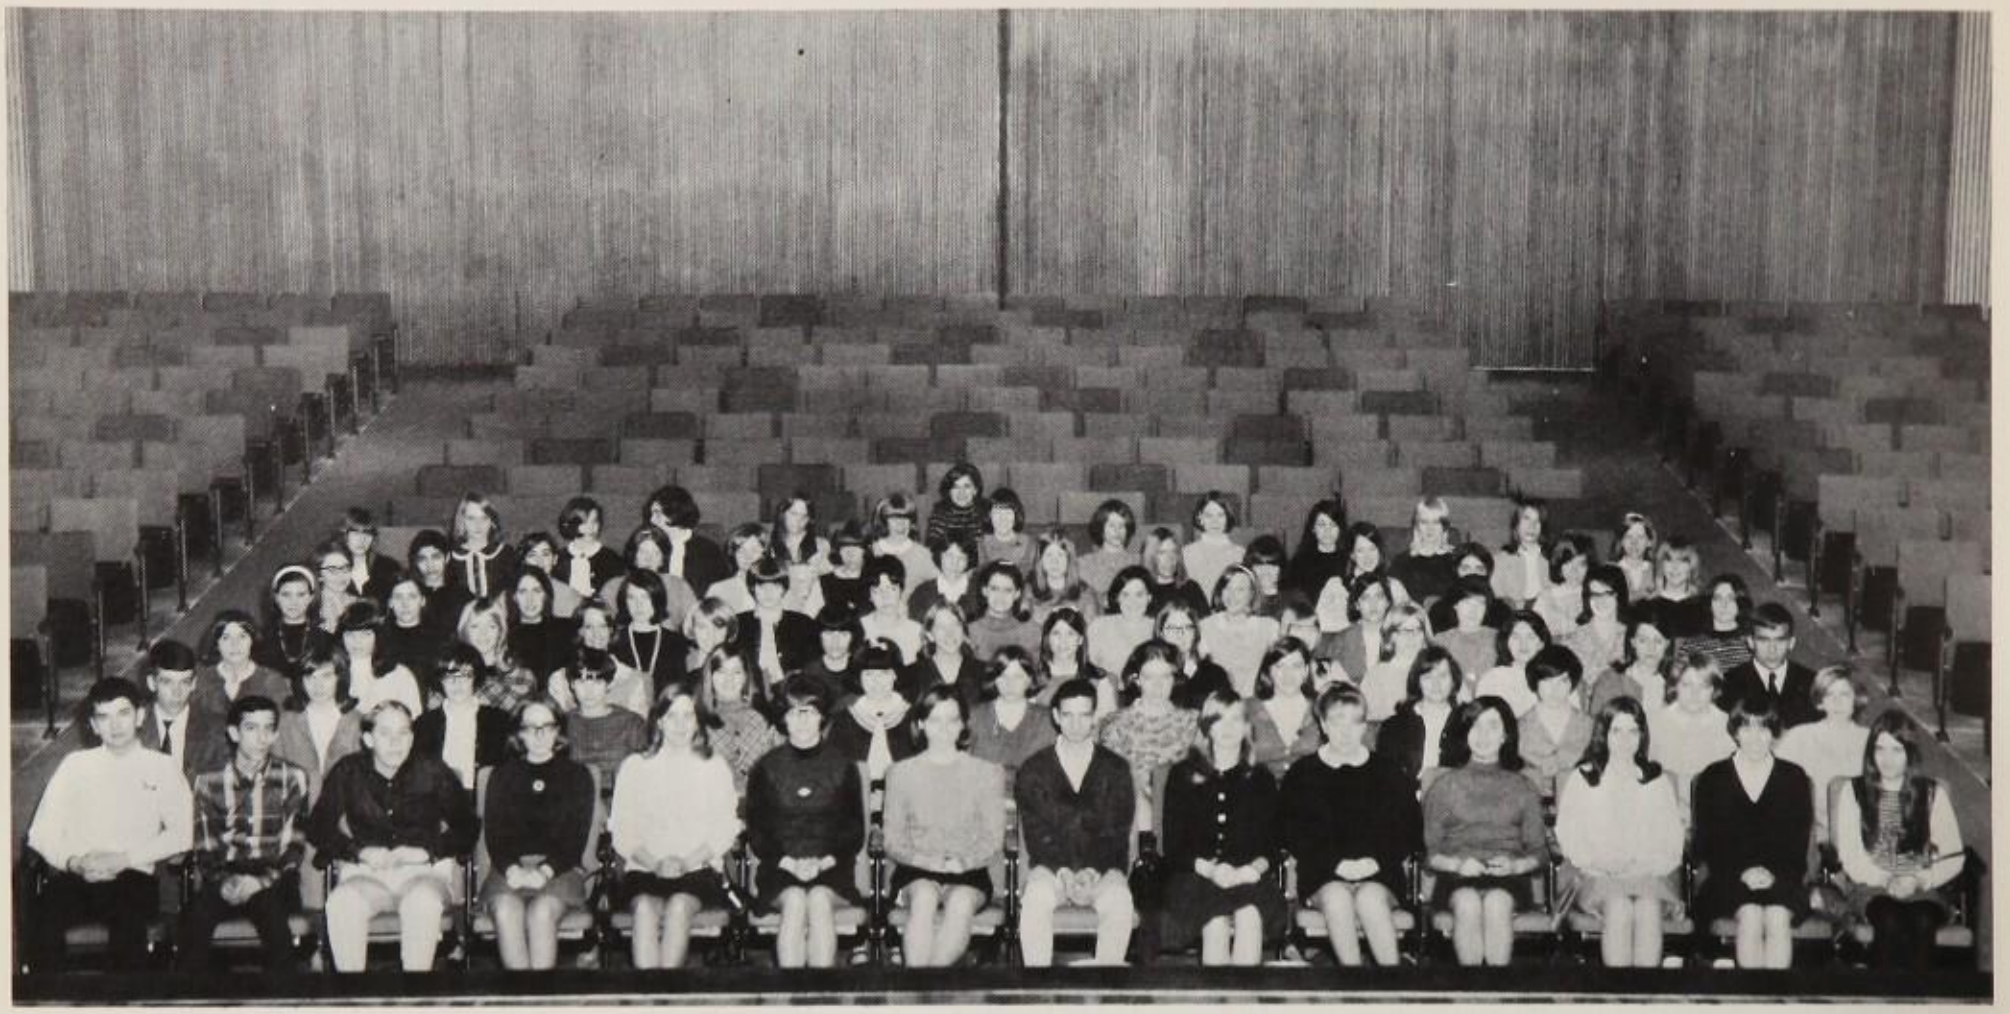
Mrs. O'Connor has helped these girls learn more about detailed aspects of homemaking.

Classics Club

This year Latin students are able to further their knowledge of the Classics under the direction of Mr. Foley.

Modern Dance Club

Under the guidance of Mrs. Perrelli girls get the chance to show their dancing skills at the Modern Dance Assembly held in May.



Drama Club

Under the direction of Miss Shea, students work on and off stage. Each class produces a short play, which is judged in a contest showing.

Chorus

Mr. Fellegy has taught this group well. The chorus participates in the annual Spring Concert. It shows us the true meaning of music in voices.

Social

Activities

Band

The band, led by Mr. Peter Fellegy, has provided half-time entertainment at the football games. Besides this, the band puts on their annual Spring Concert and truly do a fine job. The band also marches in the Memorial Day Parade.

Majorettes

Led by captain Nancy Kelly and co-captain Dayle Wiedenheft, the majorettes attended the football games and showed their twirling ability. Also, during the year, they raised money for their uniforms and went to other schools to compete in various competitions.

"Teahouse of The August Moon"

Sakini, Janine Kovach, introduces Colonel Purdy III at the beginning of the play, Mike Frechette.

Lotus Blossom, Sandy Krivinadas, and Captain Fisby, Jon Holt, talk over some plans for geisha girls.

The wrestling match was a great part of the play. Here Mr. Seiko, Richard Walesky, flips Mr. Hokaida, Charles Waggoner, out of the ring.

The greatest play ever was presented on April 7 and 8, when the Senior class presented "Teahouse of the August Moon." Under the direction of Mr. Griffin and the aid of Mr. Andrews we had a very successful play. Everybody taking part had a very enjoyable time.

The Teahouse has been finished, but Colonel Purdy III arrives too soon and everybody leaves quickly!!

Here Sakini, Captain Fisby and Colonel Purdy talk about what is to be done about the future of Tobiki.

Lotus Blossom insists on being a good geisha to Captain Fisby, but he has other ideas.

Senior Prom

Frosted Fantasy

Much fun and hard work were put into making this a successful prom. In May we turned the gym into a beautiful wonderland. The decorations were great and showed that the class of '67 is the best ever.

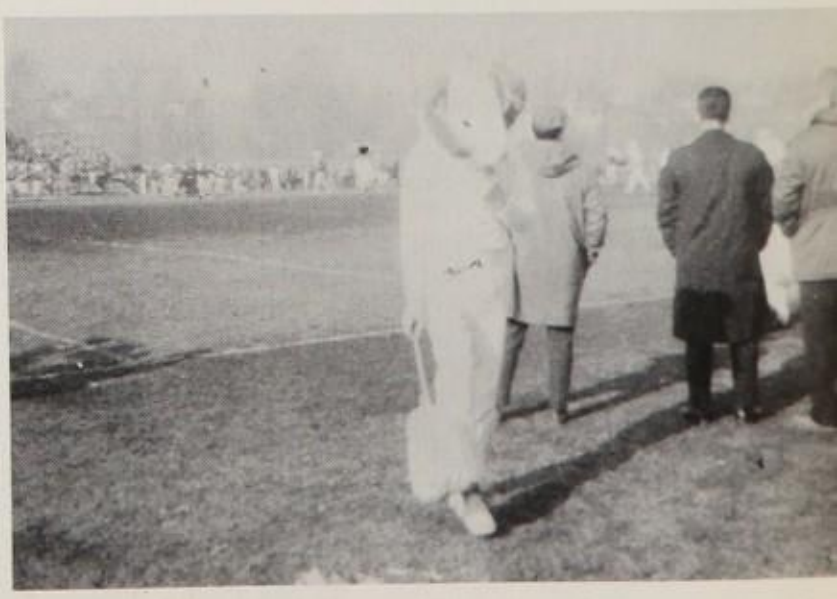
Homecoming 1967

Homecoming 66-67 was an exciting weekend this year. The bonfire was the biggest and most spirited to hit CHS. Paul Pasqualoni and Cathy Loonam were crowned King and Queen .The winning Rams held to their great record on Thanksgiving Day by beating the poor Trojans with a 37-6 score. Once again the famous beanpot was in the hands of Cheshire. The weekend was topped off with the elaborate Homecoming Dance. Decorations included a big beanpot hanging from the center, honoring the victorious Rams teams.



Magazine Drive

This year's magazine drive was very successful. The class worked very hard and went over their quota. We also received a cash prize for going over the company's quota.

One Act Plays

The Drama Club each year puts on class competitions for plays. This year the plays were very well done and the Junior class took the first honors.

Class Officers

JUNIOR CLASS: President: Brad Holtz, Vice President: Carl Cluney, Secretary: Laurie Upson, Treasurer: Rita Estrin, Social Chairman: Eileen DeVylder, Class Advisor: Mr. Forrest Gowen
